

**Due to NI Executive's [new regulations](#), we will be carrying out Covid Status Checks from 29<sup>th</sup> Nov.**

### **Covid Status Checks from 29th Nov 21**

The Northern Ireland Executive has made it a legal requirement that customers visiting many types of venues, including hospitality venues, must show proof that they are allowed to enter.

### **Each customer over 18 must show either:**

- The Domestic Cert on the CovidCertNI app.
- The Domestic Cert on Paper and present with Photo ID
- Certification from a negative lateral flow test within the past 48 hours
- Proof that you have had Covid-19 in the previous 30 – 180 days.

### **FAQs**

#### **What happens when you arrive at Yoko?**

Please show our host your proof of covid status when requested.

We would be grateful if you could have this ready to present at entry.

Customers are advised to leave a little more time as we begin to implement this new system.

Our staff are working hard to ensure you have a safe, smooth and enjoyable visit!

#### **Can I bring in my lateral flow test?**

No sorry. Each test has an individual ID number that can be reported [online here](#) or by calling 119. After reporting a result, a confirmation email or test will be sent to you which can be used as certification.

#### **Will you be offering lateral flow tests at the cinema?**

No, sorry we do not have the facilities to provide LFT tests.

#### **What is the App I need?**

Please Use the [CovidCertNI](#) app. It is available for Android and iPhone. An NI direct user account needs to be created to request a Domestic certificate for the app to store and display your certificate. You will need to know the dates and locations of your vaccinations. It can take some time to process

the information so this should be done well in advance of your restaurant visit.

**What about Data Privacy?**

Your covid status information is not stored on any system connected to Yoko @ The Jet Centre. We will only use the official COVIDCert CheckNI verifier app provided by HSC NI to scan domestic certificates.

**Can I take a picture of my Domestic Cert from the app and show that?**

No, the QR code on your domestic certificate is updated every few minutes, any screen shot of your certificate may return an invalid response from the app.

**My Covid Cert App is not working correct or as expected, can you help?**

Yoko @ The Jet Centre are not able to assist with issues that you may experience with the app or with any negative or invalid status checks as this is completely beyond our control.

**Do Children have to show documentation?**

Only those over 18 need to show certificates or other evidence.

**Can I show you the paper card I received when I got both my vaccines?**

No sorry. You need to use the app.

**How do I prove I've had Covid-19 in the past 30-180 days?**

Simply show the email you received with the results and date of your PCR test showing a positive result during that period.
