Asian Fusion Restaurant

The YOKO Philosophy

Our philosophy is simple:
The finest Asian fusion food served with a smile.

The authenticity of Yoko recipes is the direct result of our extensive travels across Asia, bringing you a comprehensive collection of classic and contemporary dishes.

We're passionate about food, that's why we only use the very finest ingredients sourced locally by our highly experienced Executive Chef, and prepared using traditional Oriental techniques.

Painstaking preparation, strict marinating, followed by flash cooking in turbo woks is the key to our full-bodied flavours and speed of service. All dishes are made fresh to order, and our qualified team of chefs will make every effort to meet any special requirements you might have.

Yoko isn't just about fine food, though. Our aim is also to deliver a memorable dining experience, with a warm and inviting atmosphere and the highest standards of customer care.

So just relax, take a moment to cast your eye over our extensive menu before sampling the very best in Asian fusion cuisine.

We hope you enjoy!
